COUNTY TEAM MANAGER VACANCY

A vacancy has arisen to join our management team for the 2017-18 season to work with our County Teams in the 14-16 age group. It is an excellent opportunity to coach and manage some of the best players in Kent. The KSFA is one of the most successful counties in the country, and our teams regularly reach regional and national finals, and compete with distinction in prestigious tournaments abroad.

We seek applications from those who have a real desire to work with and for young people, and who share our ethos of offering top-quality footballing experiences within an educational framework. A teacher with existing football coaching qualifications would be ideal, but applications would also be welcomed from someone planning to gain those qualifications. A full commitment to the programme of trials, county matches and training is essential, as too is a current DBS disclosure.

The role is voluntary but expenses are paid and managers receive full administrative support from the KSFA.

The Kent Schools' Football Association is the county governing body for schools' football in Kent, Medway, Bexley and Bromley and is responsible for the inter-county programme for representative squads selected from youngsters attending Kent schools. The KSFA currently runs County Teams from Under 11 to Under 18 (boys), and Under 14 and Under 16 (girls). These teams play in the ESFA National Competition, the South-East Championships against other counties in the region and also have a number of friendly fixtures. Monthly training sessions are arranged at a central venue and every effort is made to provide County Squads with opportunities to play in Festivals and Tours in this country and abroad

If you are interested and wish to apply please contact Phil Harding by e-mail phil@ksfa.freeseerve.co.uk, stating why you consider you are suitable for the vacancy, and attaching a CV that is relevant to the position and which includes the names of two independent referees.
